

2018-2019 CBHS Clubs and Activities

Clubs, organizations, extracurricular competition, and other activities are critical to teenage development. Research shows that students who identify with one or more clubs are more successful in high school than students who are not involved in extra-curricular activities. It is our goal for every CBHS student to be involved in one or more clubs or activities during their high school career. Please use this list to assist you in finding activities that match your interests. Faculty contact information is also included. We encourage all students to contact a faculty member about joining a club before the third week of school.

We apologize for errors and omissions. Please send corrections to rschroed@ccisd.net or bchristmas@ccisd.net.

9/12/2018

Club	Faculty Contact	Email
Academic Coordinator-UIL Competition	Michael Rutledge	mrutledg@ccisd.net
